

GENERAL INFORMATION ABOUT THE CASTING FOR “MARLEY’S GHOST”

Scrooge will be played/identified as female

*Scrooge will be addressed as either
“Miss Scrooge” or “Aunty Scrooge”*

*We will address the dialogue /relationships that will affect as we
go through rehearsal and make changes as needed*

With that there are two significant casting changes;

**“Belle” is now Bennet and a male character*

**“Willaby” is now Willamina and a female character*

*Marley will be identified also as female but only be referred to as
“Marley” and the name Jacob will be taken out of the script*

*The role of Fanny will be greatly expanded, and scenes are being
added with Fanny.*

Lily (Fred’s Wife) will also be added to more scenes.

These new scenes are being written and will be provided ASAP.
