Directors' Notes

It is always so much fun to come to the theatre to work with our kids. The dedication and passion these kids bring are amazing. Every day we see them supporting each other, laughing, working hard, and building a community. We really mean it when we say this is a place where everyone belongs. We hope you all enjoy watching the show as much as we enjoyed directing it.

~ Laurie Tangren & Eric Webster

As the Set Designer & Director, I try to engage the kids in my crew to make creative choices and give them a chance to participate in the look of the show. They seemed to enjoy that opportunity and with some basic guidelines from me initially, both the Haunted Forest signs and Munchkin Land are student-designed. They have worked hard painting and assembling the many set and prop pieces in the show and we hope you enjoy it.

~ Kris Schmidt
