Class of 2024

What a ride! You've been an orphan, munchkin, and adventurer. You've wandered around in the background as a townspeople and "stretched" yourself like taffy. You were a narrator and (almost) a princess. You had the most amazing accent as the best gosh darn PA announcer, dont'cha know!

You've been haunted, solved a mystery, helped your friends, and taken care of your sons. And now, finally, you're the mermaid you said you would be when you were 4 years old.

We can't wait to see who you become next. Congratulations on ten amazing years of theater!

We're so excited for your new theater adventures at Drake University!

All our love, Mom, Dad, and Jakob.

Riley Eckman

Riley,

You are and always have been the joy in our lives, the hope in our hearts, and the sunshine in our days.

It feels like we blinked and you became this amazing young adult, seemingly overnight.

Keep being the brave, kind, and loving person you are.

We couldn't be prouder or love you more, Ri!

On to senior year!

Love - Mom & Dad
