

# Centennial Theatre Sponsorship Agreement

Centennial School District has a strong and vibrant theater program at our Middle and High schools. The theatrical productions produced by the school have an outstanding reputation within the Twin Cities and are attended by hundreds in our community each year.

Moving forward, the program at the Middle School will now be funded 100 percent through donations and fundraising. So, we are looking for partners to help us sustain our heralded programs and keep them going for the future

Thank you so much for being a proud supporter of the Centennial Theatre Department! If you would like to learn more or discuss a financial gift, please fill out the form below and email it to [marketing@centennialtheatre.org](mailto:marketing@centennialtheatre.org).

Sponsor / Business Name: \_\_\_\_\_
