Your dedication and commitment to theater has been a joy to watch: as an actor, in the booth, and now, stage management. Your interest in being a part of it all perfectly reflects your curiosity to learn. What an incredible strength to have such an active, open mind in the pursuit of knowledge. Always keep growing and learning.

We're always amazed by the energy, creativity, and passion you bring to the stage. You continue to grow as both a young woman and an actress. This year you used a combination of subtle choices to create a truly impactful Madam Perrodon. Your impeccable physical timing and teamwork created hilarious mayhem in Don Quixote. We can't wait to see you wow us again in Mary Poppins.

We love you so much and are incredibly proud of you!

Dear Mel and Madison,

You each have a special light inside you that makes you sparkle and shine in your own unique way.

People's reactions to you two being twins were "uh oh double the trouble" and we'd say "no way! It's double the fun!" And it has been! We laugh all the time and genuinely enjoy family time together.

We are so proud of your artistic talents and love watching those talents improve on the daily!

We love you!
