

MIDDLE SCHOOL FALL PLAY CREW LIST

Hello! The Middle School Fall Play Crew List is below.

We had a number of students who want to participate in crew.

We wanted to accommodate all students who want to be a part of the theater program and the Fall Play.

So, to do that, we have divided the set crew into three groups – 6th grade set crew / 7th grade set crew and 8th grade set crew.

The schedule is also posted below and has also been updated online at our website – centennialtheatre.org.

Because we are accommodating all students who wish to participate, there will be less days of participation for the students. Because of that, we have lowered the registration fee to be a crew member to reflect the amount of participation time. So, registration fee's for crew have been lowered to \$55.

Look at the crew list attached. If your name (Or students name) is on the list – then go to this link and register for crew ASAP!
